## INTRODUCTION

Welcome to RPM — Reach People Movement! We are so excited you're coming to the table for this discussion.

This study was created to stir up your passion for serving others and to equip you with confidence and practical tools to reach the people around you with the love of Jesus in a way that impacts their lives for eternity.

Our foundational Scripture for RPM is Acts 10:38 NIV:

“...how God anointed Jesus of Nazareth with the Holy Spirit and power, and how He went around doing good and healing all who were under the power of the devil, because God was with Him.”

Jesus is the perfect example of someone who lived a powerful life of outreach. He was full of the power of the Holy Spirit, and His life was marked by the good things He did for others. And of course, everywhere He went, with every good work, He spread the message of the Gospel.

He served people — healing the sick, feeding the hungry, and bringing freedom to the oppressed--He continually preached the truth that God loved them, God valued them, and the Son of God (He) had come to save them. We are called to live this way and proclaim this same Good News to everyone we encounter, because every person matters to God!

Throughout this 8-week study, we will talk about how to reach people in effective, practical ways. Every small group meeting will include a video session hosted by Dino Rizzo, who is a pastor, a ministry leader, and the founder of an international outreach effort called “Servolution.” Dino will share a brief thought and passage of Scripture at the beginning of each session and then interview various ministry leaders who are passionate about outreach in many different forms. After the video portion of your small group meeting, you will have the opportunity to talk about that week’s interview together and go through a series of Discussion Questions. At the end of your meeting, your leader will review the weekly Action Step and challenge you to put your takeaways from the session into action during the week. Be sure to lean into these Action Steps over the next 6 weeks so that you can grow in your ability to reach people. That’s what this is all about!

There is a list of “25 Practical Ideas for Reaching People” on Page 45 of this book. Consider picking a few of these ideas to do as a group over the course of this study. Of course, you can do as many of them as you want on your own, but try to find ways to serve people together as well. You’ll be amazed by what you can accomplish when you work as a team.

Ready to dive in, learn, grow, and reach people with the love of Jesus? Let’s get started!
